Experience the Sound

Greenwich Shellfish Commission: Event celebrates town's coastal history

Helen Neafsey/Staff photographer

Isabella Wilson, 6, of Greenwich, plays with the wheel of the Schooner SoundWaters during Experience the Sound, the Greenwich Shellfish Commission's annual event showcasing Long Island Sound and the diverse marine life in it, at Greenwich Point on Sunday. Events included shellfishing and other coastal activities, and the summer opening of the Bruce Museum Seaside Center in the Floren Family Environmental Center. **For a slideshow, visit greenwichtime.com.**

The Schooner SoundWaters, above, was at the dock, while Jessie Vissicchio, 16, at right, holds a crab to let it go into the water during the Greenwich Shellfish Commission's Experience the Sound event at Greenwich Point on Sunday.
