

Who Can I Ask for Donations?

Your family, friends and business network will welcome the opportunity to support a cause you feel passionately about: the protection of Long Island Sound. You just need to express why you care and ask for their support.

Who can you ask? The list is longer than you think. Complete the list below as fully as you can and just imagine how much money you would raise if even 50% of them gave you a small donation.

Who is/are my:
