The Roaring 20's

When: Friday, May 6, 2022

Time: 6:30pm - 11:00pm

Where: Riverside Yacht Club, aka The Schooner Club (shhhh!)

What: The Schooner Club is open for business!

We missed you in '20 and '21 so we're roarin' into the 20's a little late, but it's gonna be big. What Prohibition laws? **Our host, the well known Al Roker**, is inviting only his very best customers to his infamous Schooner Club. That's you! The Schooner Club is well hidden behind the front doors of the very proper Riverside Yacht Club so flip your collar up, pull your hat down low and make sure no one's following you. You'll need the password - "Sea Star" - and then prepare for a night you'll never forget. Our private chef is cooking up the finest food, the band is tuned and ready to go and the boat just arrived with the hooch so the liquor will be flowin' freely. The joint's fillin' fast so reserve your table now and get ready for the party of the decade.

Why: Some things don't change, like the need to teach science, sailing and job skills to over 32,000 young people every year. More than 50% of the students we teach receive scholarship assistance and your generous support ensures that we can keep our promise that no young person will ever be excluded from a SoundWaters program due to the inability to pay.
