FOUNDER

Len Miller

PRESIDENT

Leigh W. Shemitz Ph.D

Greetings,

I am contacting you from SoundWaters where we use Long Island Sound as our classroom to teach climate science to over 30,000 students every year. Community support allows us to offer our academic, sailing, and youth development programs to all students regardless of their ability to pay. **That is where you come in.**

On Friday, May 2, we are hosting our **28th Annual Tall Ships Ball at Riverside Yacht Club in Greenwich**, our largest fundraiser of the year. We hope to raise \$400,000 from 350 guests to support SoundWaters scholarships but need your help to do so. I hope you will consider supporting SoundWaters by **contributing a unique item or experience for our silent auction** that evening.

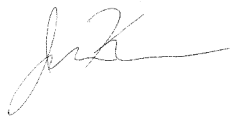

Your item will be displayed attractively and featured prominently online in advance of the event and throughout the evening. **We promote the Tall Ships Ball auction to 10,000 people across Fairfield and Westchester counties.**

If you can donate an item or experience, **please complete the attached auction donation form.** Be sure to include any restrictions that apply to your donation and return it to my attention at SoundWaters or email it to me at jkarpowich@soundwaters.org by April 4, 2025.

If you have any questions about SoundWaters or the Tall Ships Ball, don't hesitate to contact me. Thank you for your support and I hope you will join us in this very worthwhile cause.

Best,

Jenna Karpowich
Manager, Events and Communications

SOUNDWATERS Tall Ships Ball Auction Donation Form

Check One Auction Item Gift Certificate

Donor Name

Donor Address

Donor Phone _____ Donor E-mail _____
