

## Sample Fundraising Letter for a Couple

Dear Annie,

On Saturday, July 22, Bill and I will be paddling our kayak / paddle boards over four miles on Long Island Sound in the SoundWaters Flotilla. We'll be doing this together with hundreds of other paddlers of all ages to raise money to protect and preserve the Sound and we're hoping you will support us with a donation. You can go to our team webpage at <http://crowdrise.com/soundwatersflotilla>.

Long Island Sound is our greatest natural resource and we hope that you feel as strongly about protecting it as we do. Now more than ever we need to speak out and act on behalf of the environment and you can do that by either making a donation or paddling along with us. The money we raise will help SoundWaters teach more children about Long Island Sound and in doing so, create the next generation of stewards who will care for the Sound well into the future. That's what SoundWaters means by its mission: *Protecting Long Island Sound Through Education*.

If we don't speak for Long Island Sound, who will? I hope you will join us in the SoundWaters Flotilla or make a donation. You can learn all about the Flotilla and SoundWaters at [SoundWaters.org/Flotilla](http://SoundWaters.org/Flotilla).

Thank you so much for your support.
